Policy Summary

- **The Policy**

- Endsleigh's 'International Student Insurance' is the only insurance policy specifically endorsed by both English UK and UKCISA. Our policy affords you and your student the following cover;

- **Course Fees:**

- Our course fees cover serves to protect your organisation income in the event of cancellation or curtailment of the student. The cover operates in the following ways:
 - If a student has to cancel their course, cut it short or repeat it due to accident or sickness of themselves or a close relative; we will reimburse the prepaid fees to the student.
 - If there are contractually outstanding fee payments that the student has not paid then Endsleigh will reimburse Kaplan for the cost of these fees.

- **Cancellation Cover/Curtailment:**

- In the event of cancellation prior to arrival due to accident, illness or sickness, the student will be able to claim back the costs of prepaid travel and accommodation expenses.
- If a student has to cut short their course or repeat it due to accident or sickness of themselves or a close relative they will be able to claim back the costs of prepaid travel expenses.

Policy Summary

- **Medical Cover:**
 - Emergency medical treatment.
 - Repatriation to a student's home country if they are seriously ill or injured.
 - Bringing a relative to the student's location to visit following a medical emergency.
 - Emergency dental treatment.
- **Baggage and Possessions Cover:**
 - Cover for baggage/possession in the country of study and in transit during travel to and from the country of study.
- **Liability Cover:**
 - If a student accidentally injures someone, or damages their property we will cover their legal liability to pay damages.
- **Additional Cover:**
 - Cover for students on recreational travel within Europe for up to 21 days.
